

A24a I Glorify You, John 17:1-11, Seventh Sunday of Easter

Tell God, the Father that you are doing everything in your life for him. This will glorify him. Glorify means to honor. You glorify God by using your time, talent, and treasure for his good and the good of his people. Listen to your brother read from a book. Join the children's choir at your church. Give part of your money as a gift to the church. Give the clothing and shoes you have outworn to the needy. Ask your Mother to buy a new shirt for the needy when she buys a new shirt for you. Offer everything you do good to glorify God.
