God has forgiven you. He wants you to forgive your brother. Your brother is not perfect. You are not perfect. Forgive your brother. Ask your brother to forgive you, too. Then forgive yourself. This is the gift that God wants you to give him when you go to church. When you go up to his altar, he wants you to be at peace with all of your brothers and sisters. Forgiving others and forgiving yourself is the best gift you can give God. You will feel good. God will give you many blessings because you have forgiven.
