Many people go wild to get close to movie stars. They follow them around. They sneak up on them in restaurants. They peak through the windows of their homes. They want to share in their power. When you receive the Holy Eucharist, you become part of the most influential and powerful person who ever lived on the earth...the Son of God. You don't have to search for him. You don't have to follow him around. He goes with you everywhere you go. He goes with you because he loves you very much. He shares his power with you. His power is love.
