When you are feeling lonely and abandoned, rejoice because Jesus Christ is inside you every day. He will lead you out of your sad place and into joy with him in heaven. Ask him and he will comfort you. Ask him and he will show you how to think about happy things. Ask him and he will help you solve your problems. Just say in your mind, "Lord, Jesus. Be my shepherd. Lead me away from sin and sorrow." He will help. Jesus is the Good Shepherd.
