God speaks to you through music, talking, and laughter. He speaks to you through the sounds of cooking and cleaning. Imagine what it would be like if you could not hear. When you disobey God, it is like you are "deaf" to his word. When you truly "hear" the words of the Lord, you love God above all. You are kind to your brothers and sisters. Make your life a song for God. When you reach heaven, God will say, "I am proud that you listened to me. Welcome to paradise."
