If two or more people agree in what they are praying for, God the Father will give it to them. There is a comforting when you agree in prayer. You feel in harmony with those around you. You feel the presence of God within you and around you. Pray with someone who is feeling pain. Ask God to heal them. Pray with your family that you may be wise users of God's money, gasoline, food, clothing, and water. Pray that God fill you with the glory of forgiveness so that you can spread joy and happiness to your family and friends.
