An angel warned Joseph that Herod was searching for Jesus to kill him. The angel told him to take Mary and Jesus 260 miles away to Egypt. If they walked 4 miles every hour for 8 hours every day, they would be there in 8 days. Ask the people in your family to do a Prayer Walk with you. Walk and pray for the safety and good health of your family and friends. God helped Joseph get his family to Egypt safely. He will help you, too.
