Mary was humble. She was willing to bear the Son of God in her womb. Your Mother agreed to carry you for nine months inside her body. Your mother was probably just as excited as Mary and Elizabeth when they found out they were going to have babies. Like Mary, your Mother might have been afraid. But Mary had faith that God would help her. It is unbelievably wonderful to be a part of God's creative force and bring new life into this world. Ask your Mother to tell you what it was like. Imagine how helpless a little baby is when it is born. God sends all the right people to care for each child. Pray that God help women who are expecting babies. Pray for all newborns and their Mothers and Fathers.
